2017 Interim Modification of Average Schedules, WC Docket No. 16-400  
2018 Further Modification of Average Schedules, WC Docket No. 17-346  
**CORRECTION TO PROPOSED EFFECTIVE DATES**

Dear Ms. Dortch:

On February 26, 2018, NECA filed a *2017 Interim* and *2018 Further Modification of Average Schedules*, proposing revisions to the currently-effective and proposed common line and special access settlement formulas for average schedule companies reflecting the effects of the 2017 Tax Cut and Jobs Act (TCJA) on average schedule company revenue requirements.

The transmittal letter accompanying the filing incorrectly identified the effective dates for the proposed modification to 2018 formulas. The correct proposed effective dates for the 2018 Further Modification in WC Docket No. 17-346 remains July 1, 2018 through June 30, 2019.

In accordance with the Commission's rules, this correction has been filed electronically in the above-referenced dockets. If you have questions regarding this matter, please contact Tanja Curovic, Sr. Director, Average Schedules, at 973-884-8483.

Sincerely,
