CONNECT AMERICA FUND PHASE II AUCTION SUPPORT FOR 2,025 WINNING BIDS READY TO BE AUTHORIZED

Listed Auction 903 Long-Form Applicants Must Submit Letters of Credit and Legal Counsel's Opinion Letters by Friday, May 24, 2019

AU Docket No. 17-182
WC Docket No. 10-90

By this Public Notice, the Rural Broadband Auctions Task Force, Wireline Competition Bureau, and the Office of Economics and Analytics announce they are ready to authorize Connect America Fund Phase II auction (Auction 903) support for the Auction 903 winning bids identified in Attachment A of this Public Notice. To be authorized to receive the total 10-year support amounts listed in Attachment A, the long-form applicants identified in that attachment are required to submit acceptable irrevocable stand-by letter(s) of credit and Bankruptcy Code opinion letter(s) from their legal counsel for each state where they have winning bids that are ready to be authorized in accordance with the instructions provided below by the applicable deadline – **prior to 6:00 p.m. ET on Friday, May 24, 2019.**

On August 28, 2018, we announced that there were 103 winning bidders in the auction and established the deadlines for winning bidders to submit their long-form applications for Connect America Fund Phase II support.¹ On October 30, 2018, after an opportunity for winning bidders to assign some or all of their winning bids to related entities, we announced that there were 134 long-form applicants.² We have reviewed the long-form applications associated with each of the winning bids identified in Attachment A. Based on the representations and certifications in each relevant long-form application, we are prepared to authorize support, subject to submission of the required letter(s) of credit and Bankruptcy Code opinion letter(s), for each of the winning bids identified in Attachment A.³

Auction 903 long-form applicants were required to certify that they are ETCs in all bid areas and to submit appropriate documentation supporting such certification on or before February 25, 2019.⁴ We

Barry Electric Cooperative assigned its winning bids to Barry Technology Services, LLC. We will post an updated list of long-form applicants that reflects this change.

find good cause to waive this deadline for Mercury Wireless Indiana, LLC (Mercury Wireless Indiana) in Michigan.⁵ Generally, the Commission's rules may be waived for good cause shown.⁶ The Commission has found that waiver of this deadline is appropriate when an ETC designation proceeding is not yet complete by the deadline despite the good faith efforts of the long-form applicant.⁷ The Commission has explained that it would presume such good faith efforts when the petitioner submitted its petition to the relevant authority within 30 days of the release of the *Auction 903 Closing Public Notice*.⁸ Because Mercury Wireless Indiana filed its petition with the Michigan Public Service Commission only one day after this 30-day time frame, we find Mercury Wireless Indiana demonstrated due diligence and acted in good faith.⁹ Thus, there is good cause to waive the deadline.¹⁰

Commission staff is reviewing information that is submitted with long-form applications on a rolling basis. Accordingly, a long-form applicant that was not included in this Public Notice but that has submitted all of the required information will be included in a future Public Notice once Commission staff finalizes its review of the long-form application.

Pursuant to section 54.315(b)(6)(v) of the Commission's rules, no later than 10 business days after we release a public notice identifying long-form applicants that may be authorized to receive Connect America Fund Phase II auction support, such long-form applicants must submit an irrevocable stand-by letter(s) of credit, issued in substantially the same form as set forth in the model letter of credit provided in Appendix B of the *Phase II Auction Order*¹¹ by a bank that is acceptable to the Commission.¹² **Prior to submitting their letters of credit, we encourage long-form applicants to view and share with their issuing banks the Letter of Credit Common Errors List available on USAC's website:** <https://www.usac.org/hc/funds/caf-phase-ii-auction.aspx>.

A separate letter(s) of credit must be submitted for each state where the long-form applicant has winning bids that are ready to be authorized in an amount equal to at least the first year of support in the state.¹³ Before a support recipient can receive its next year's support and each year's support thereafter, it

must modify, renew, or obtain a new letter of credit to ensure that it is valued at a minimum at the total amount of support that has already been disbursed plus the amount of support that is going to be provided in the next year, subject to certain reductions when the support recipient has substantially met its service milestones.¹⁴

An applicant may obtain multiple letters of credit to cover all the bids in the state, but compliance with service milestones will be reviewed on a state-wide basis. Accordingly, if a long-form applicant chooses to obtain a letter of credit for each of its winning bids in a state and defaults, a draw on *all* of the letters of credit covering *all* of the bids in the state will be authorized.¹⁵

In addition, a long-form applicant is required to provide with the letter of credit an opinion letter from legal counsel clearly stating, subject only to customary assumptions, limitations, and qualifications, that, in a proceeding under the Bankruptcy Code, the bankruptcy court would not treat the letter of credit or proceeds of the letter of credit as property of the long-form applicant's bankruptcy estate, or the bankruptcy estate of any other bidder-related entity requesting issuance of the letter of credit, under section 541 of the Bankruptcy Code.¹⁶

By future public notice, we will authorize support for specific winning bids for which all requirements, including submission of the letter of credit and opinion letter, have been met.

Details concerning the next steps are set forth below.

Instructions for Submission of Letter of Credit and Opinion Letter

Long-form applicants identified in Attachment A of this Public Notice must submit a letter(s) of credit and opinion letter(s) for each state where it has winning bids identified in Attachment A. The minimum amount of the first letter of credit for each state is determined by adding up the first year of support listed in Attachment A for each winning bid in the state. The letter(s) of credit and opinion letter(s) submitted to the Universal Service Administrative Company (USAC) must reference the relevant study area code as listed in Attachment A.

The original of the letter of credit and opinion letter must be submitted to USAC by the applicable deadline—**prior to 6:00 p.m. ET on Friday May 24, 2019**, at the following address: Universal Service Administrative Company (USAC), High Cost Program, CAF Phase II Auction LOC, 700 12th Street, NW, Suite 900, Washington, DC 20005. We recommend that each long-form applicant send the originals of both the letter of credit and the opinion letter by means of delivery requiring signature. These documents may be sent to the attention of Joanne Kim.

A copy of the letter of credit and opinion letter must also be submitted in the FCC Auction System by the applicable deadline—**prior to 6:00 p.m. ET on Friday, May 24, 2019**. An applicant must provide this required information in two attachments. The letter of credit attachment should be uploaded using the "Letter of Credit" attachment type, and the opinion letter attachment should be uploaded using the "Letter of Credit Opinion Letter" attachment type. Each attachment must be uploaded within the applicant's long-form application to each relevant winning bid identified in Attachment A of this public

For each state where the applicant is ready-to-be-authorized, the long-form applicant must submit a letter of credit or multiple letters of credit that cover all of the ready-to-be authorized bids in that state. Compliance with service milestones will be reviewed on a state-wide basis. Accordingly, if a long-form applicant chooses to obtain a letter of credit for each of its bids that are located in a state and defaults on only one bid, either of the Bureaus will authorize a draw on all letters of credit covering all the bids in that state.
