**ORDER**

**Adopted: June 26, 2020**

**Released: June 26, 2020**

By the Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

1. In this Order, the Wireline Competition Bureau (Bureau), on its own motion, grants a brief, limited waiver of the July 1, 2020 annual certification requirement under section 54.313(j)(1) of the Commission's rules for certain price cap and competitive eligible telecommunications carriers (ETCs) who receive legacy high-cost support.<sup>1</sup> The Bureau will allow these carriers to file FCC Form 481 once the Universal Service Administrative Company (USAC) amends the filing portal for these carriers.<sup>2</sup> All other ETCs, however, must complete FCC Form 481 by July 1, 2020.<sup>3</sup>

2. In 2019, the Commission adopted a schedule to phase-out legacy high-cost support received by certain price cap carriers and fixed competitive ETCs, during which recipients still must certify annually to USAC that support was used for its intended purpose, but are not subject to any other annual reporting requirements in section 54.313 of the Commission's rules.<sup>4</sup>

3. It has come to the Bureau's attention, however, that USAC's FCC Form 481 system does not fully incorporate the rule as adopted in the *2019 Phase-Down Order*. Accordingly, we grant a temporary waiver of the filing deadline only for affected carriers. Once USAC announces it has amended its FCC Form 481 system and it can collect only the required certification for affected carriers, the Bureau will announce a new deadline. We find it is not in the public interest to require these carriers to complete this certification until USAC has amended the filing portal to eliminate extraneous and unnecessary reporting requirements for these carriers, but the public interest and administration of the Fund will be

<sup>1</sup> 47 CFR § 54.313(j). See 47 CFR § 1.3 (Commission may waive its rules on its own motion).

<sup>2</sup> Section 54.313(j) of the Commission's rules require that ETCs file the annual reporting information by July 1 each year. 47 CFR § 54.313(j). The Bureau has received renewed approval from the Office of Management and Budget, pursuant to the Paperwork Reduction Act, to require carriers to complete FCC Form 481. See Office of Management and Budget Action for Control No. 3060-0986 (June 15, 2020), [https://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=202004-3060-037](https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202004-3060-037).

<sup>3</sup> The Bureau recently granted a partial waiver of the same deadline for certain rate-of-return carriers. See *Connect America Fund*, WC Docket No. 10-90, Order, DA 20-601 (WCB rel. Jun. 8, 2020).

served by maintaining the integrity of USAC's uniform collection of FCC Form 481's information and certifications.

4. Accordingly, IT IS ORDERED that, pursuant to the authority contained in sections 0.91, 0.291, and 1.3 of the Commission's rules, 47 CFR §§ 0.91, 0.291, 1.3, the annual reporting deadline of July 1, 2020, codified at 47 CFR § 54.313(j)(1) for carriers to whom 47 CFR § 54.313(m) applies, IS WAIVED to the extent described herein.

5. IT IS FURTHER ORDERED that, pursuant to the authority contained in sections 0.91, 0.291, and 1.102 of the Commission's rules, 47 CFR §§ 0.91, 0.291, 1.102, this Order SHALL BE EFFECTIVE upon release.
